Roy it has  
been nice having  
you in our class this  
year. Much success to  
you. *Phil Dunn*

Best wishes and  
good luck always  
*Ray H.*

Best of luck always.  
I hope you stick with  
baseball because you should  
make a good pitcher.  
*Don Williams*

"Good Luck"

# " THE HURRICANE "

Many are the headaches of the HURRICANE Staff—last minute pictures to be made, and it rains; no typewriters to be found when it's time to finish the Annual; lost "copy" on the last day; and that Saturday "Rush" before the deadline . . . but it's fun!

We sincerely hope that the readers will overlook our mistakes and find many things of interest here.

# THE ADVISORY COUNCIL

The Advisory Council is composed of the S. C. A. officers, class presidents, homeroom representatives and faculty sponsors. The members of the Council are elected by the students.

The purposes of the Advisory Council are: To coordinate the out-of-class activities, to stimulate greater club activities, to cooperate with the faculty, to direct traffic during lunch periods, and to act like model students at all times. In this way, all groups feel that they have a place in the S. C. A. The Council is also interested in helping all clubs obtain their objectives.

# THE BETA CLUB

When you see a student with an accumulation of A's on his report card, more than likely he is a member of the Beta Club whose main purposes are "Character, Achievement, Leadership."

The M. H. S. Beta Club does a variety of things — selling Easter seals, Christmas cards, supporting school and community activities, promoting good scholarship, and sending delegates to the State Beta Club Convention. But the Beta members don't work all the time — there are picnics, parties, and one of the most enjoyable features of the year is the annual Beta Club Breakfast at the end of the year.

# FUTURE HOMEMAKERS of AMERICA

Gee!! What a wonderful time we have had with many happy events to keep moving through the year. (The float in the Homecoming Parade with Joan Daniels and Jane Marchant sewing patches on Tazewell.) Since our broadcasting station has become a new addition to Marion, it has added to the activities of the F. H. A. which has had an active part in helping present programs. (There were Federation Council meetings which our officers attended, and Betty Lon Greenwood was elected Secretary of the Scott - Washington - Smyth Federation. We were proud that Frances Halsey was elected Secretary of the State Association.) One of the most interesting projects of the F. H. A. is the annual Valentine Dance, highlighted by the crowning of the Queen and King of Hearts. The Spring Rally of the Federation was a great affair!! The Snack Bar!! Our trip to camp!! Publicity in *Homespan Yarns*!! Participation in the World War Christmas Festival!! The picture in the *Richmond Times Dispatch*!! Yes, in 1948-49 we wore our pins proudly, signifying that we were members of the Future Homemakers of America.

## THE COMMERCIAL CLUB

The Commercial Club was organized with the purpose of furthering interest in Business Education outside the class room. Our programs have been of particular help to us, both spiritually and economically, as we look forward to taking our place in the business world. Not to be omitted is the social side of our club which proved quite eventful.

# DRAMATICS CLUB

The Dramatics Club has been immensely successful this year in promoting dramatic arts among its members and the student body. The club sponsored a play by the Barter Theatre group as one of its projects. As this annual goes to press, the members of the club are planning more projects for the rest of the year, including a play for the student body, and are working the one-act play for the Virginia League district play contest this spring.

## "STAGE CRAFT CLUB"

The Stage Craft Club is made up of boys who take Industrial Arts, and is sponsored by the Industrial Arts teacher. Its objective is to construct sets for the various plays that are presented by the classes and clubs.

Thus far we have built only one set — that of the Junior Class Play, but plans for the future include work for various plays to be presented in the spring.

# "El Club de Español"

El Club de Español, or the Spanish Club, was organized for the benefit of the students of first and second year Spanish. The club is affiliated with the Pan-American League whose international headquarters are in Miami, Florida.

The primary purpose of this club is to better acquaint the students of the United States with the Latin-American countries and vice-versa. The students of one country may correspond with the students of another country and thus promote better acquaintance and better understanding.

# BOYS' TORCH-Y

With the organizing of a Boys' Hi-Y at Marion High School, steps were immediately taken to organize a Boys' Torch-Y for the 8th and 9th grades.

Organizational meetings were held, and approximately 40 boys voiced an interest in such a club.

Under the sponsorship of the Boys' Hi-Y, plans have been formulated to set up the Boys' Torch-Y as a permanent club at M. H. S.

## 1948 - 49 SEASON

On September 10, 1948, the Scarlet Hurricane journeyed to Chilhowie for a tough gridiron battle that ended in a tie — 13-13.

One week later, they were visited and beaten by Graham High of Bluefield with a score of 19-13.

On September 25th, Marion was the host of their long-time rivals, Wytheville, who had the upper hand and won with the score of 31-0.

On the night of October 1st, Marion visited Richlands. The Hurricane played a wonderful game and held Richlands back to a 7-0 defeat.

On October 8th, Virginia High of Bristol, played host to The Hurricane, who put up a marvelous fight but lost with the score of 33-6.

The morning of October 16th found the M. H. S. boys full of spirit and ready for the biggest game of the season. The Homecoming game was played against the Tazewell Bulldogs. During this game the Hurricane won its first victory — with a score of 19-13.

On October 22nd, Marion visited and lost to Grundy — 7-0.

October 30th saw Marion play and win the game with William King of Abingdon with a score of 25-9 to the Hurricane's credit.

The Scarlet Hurricane blew into Saltville on November 6th for the Salt Shakers' first Homecoming game in quite a while, and upset them by a score of 18-6. The highlight of the evening was the 103-yard run by Johnny Crewcy, captain of the Marion team.

The last game was played with Pocahontas on November 13th, and the Hurricane lost with the score of 12-6. Worse than the loss of the game was the fact that Captain Johnny Crewcy suffered a broken leg in this, his last high school game.

The Scarlet Hurricane team did not win many games, but they did play the best teams in Southwest Virginia and the excellent sportsmanship which they showed to the other teams meant more to them than the actual scores. They won every game in spirit!

## Moving Forward with the South . . . .

The production of better type fabrics has grown to tremendous proportions in the South. Paralleling this outstanding progress made by the textile industry has been the resultant higher standard of living.

Burlington Mills is proud to be a part of this progress . . . proud of the fact that this Company has invested millions of dollars in the future of the South. By ever-expanding its own production, Burlington is contributing to the rapid increase in business activity—the yardstick of prosperity. For economic stability, Burlington maintains a program of financial soundness, reflected in its net worth of over \$100,000,000.

Through this extensive program for economic progress, Burlington Mills' 83 plants have been able to produce the best possible products at the lowest possible prices. These quality fabrics are truly "woven into the life of America." That's why over 28,000 employees are going forward with Burlington Mills.
